

# QuickKey

Learning Goes Mobile

# The future of data-driven instruction

starts with go-anywhere, real-time rapid assessment solutions for educators and students

# **Quick Key**

## **Does Assessment**

- ✓ **Student mobile & Chromebook**
- ✓ **Teacher Mobile device scanning**
- ✓ **High-volume cloud scanning\***

\* coming fall 2017

# Performance Benefits, Organization-Wide

- ✓ Improve performance with real-time remediation
- ✓ Teachers save up to 10 hours/week
- ✓ Know every student's progress towards standards, day by day

# Real-time data.

## Online and in your hand

- ✓ Instant analysis on teacher mobile devices
- ✓ Real-time roll-up reporting for school leaders on shared quizzes and common assessments
- ✓ Item analysis for students

# Implementing technology shouldn't be difficult

- ✓ Works with or without wi-fi
- ✓ Works with or without student devices
- ✓ True LMS integrations
- ✓ Dedicated implementation coach with phone and email support

# A solution teachers can get behind

- ✓ Teachers get instant time and effort savings
- ✓ Simple to use and easy to get started
- ✓ In-person and remote training available

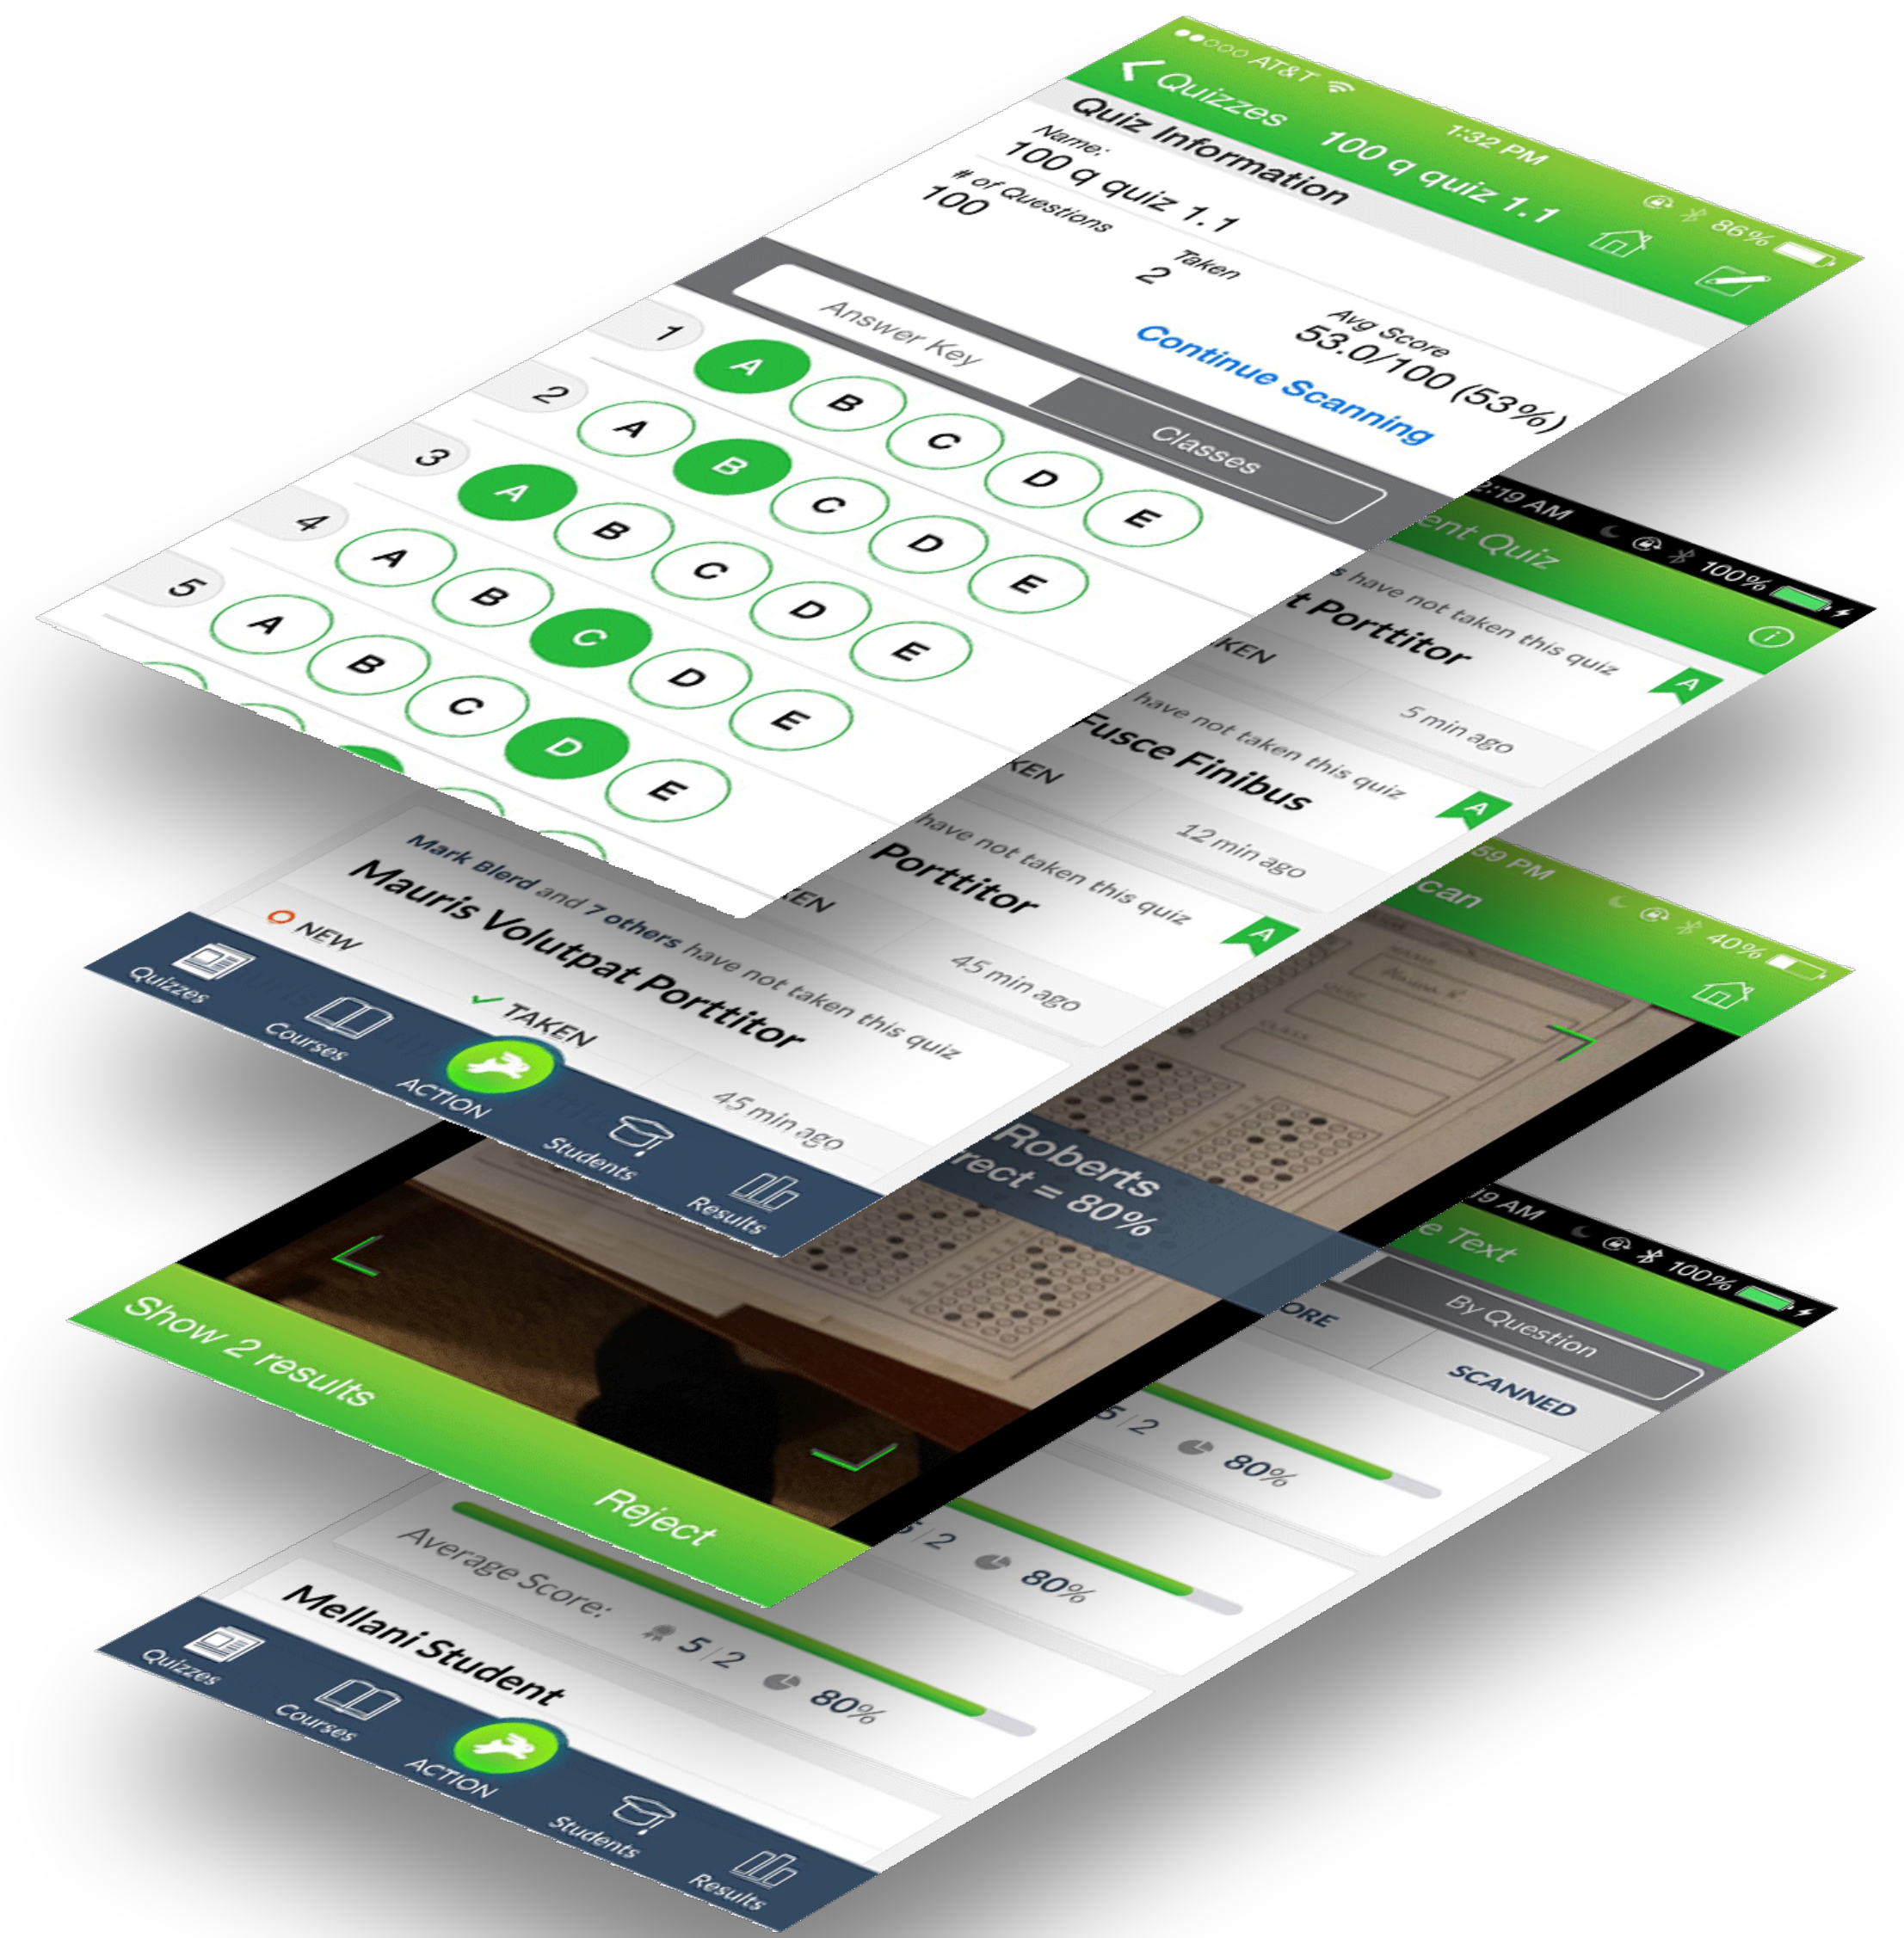

# Cutting Edge Technology

That grows with you without breaking the bank

- ✓ Get all the benefits whether you are a paper district, a 1-to-1 district, or somewhere in between
- ✓ Uses either personal devices or school-issued devices
